

Panagiotis Georgiadis

Title: Professor of Information Systems and Applications

Sector: Computer Systems and Applications

Phone: +30 210 7275219 (office)

Fax: +30 210 7275214 (office)

Email: p.georgiadis@di.uoa.gr

Web page: <http://cgi.di.uoa.gr/~georgiad/>

Academic Qualifications:

- Ph.D. in Computer Science (1982), University of Athens
- M.Sc. in Computer Science (1974), Warwick University, England
- B.Sc. in Physics (1969), University of Athens

Appointments:

- 2007: Professor, Dpt. of Informatics & Telecom., University of Athens
- 1994: Associate Professor, Dpt. of Informatics & Telecom., University of Athens
- 1989: Assistant Professor, Dpt. of Informatics & Telecom., University of Athens
- 1986: Assistant Professor, Dpt. of Physics, University of Athens
- 1982: Lecturer, Dpt. of Physics, University of Athens
- 1978: Research Fellow of Electronics, Dpt. of Physics, University of Athens

Teaching Activities:

- Operating Systems I + II
- Systems Analysis
- Software Development
- Computer Systems Simulations
- Special Courses for Information Systems –eGovernment
- Innovation and Business dexterity

Postgraduate Program of Dpt. of Inf. & Telec.

- Distributed Operating Systems
- Performance and Simulation Systems
- Information Systems Security

Postgraduate Program "Economics and Administration of Telec. Networks"

- Technological and Operational Management of Telecommunication and Information Systems and Telecommunications
- Organizational Design and Human Resource Development

Supervisor of 10 Ph.D. dissertations

Research Interests/Activities:

- E-government, Management Information Systems
- Innovation and Entrepreneurship
- Management of Information Systems
- Quality of Electronic Services

Scientific Publications/Citations:

- 21 publications in refereed journals
- 56 Proceedings
- 2 Publications included in books
- 2 Conference Proceedings
- More than 600 citations
- Author/co-author of 2 textbooks

Top five publications

- **"Exception resolution for BPEL processes: a middleware-based framework and performance evaluation"** C. Kareliotis, C. Vassilakis, S. Rouvas, P. Georgiadis. International Journal on Web and Grid Services (IJWGS). Volume 5, Issue 3, 2009.
- **"QoS-Aware BPEL Scenario Execution and Adaptation: A Middleware - Oriented Framework"** C. Kareliotis, C. Vassilakis, S. Rouvas, P. Georgiadis. International Journal on Web Services Research (IJWSR), 2010
- **EURASIP Journal on Wireless Communications and Networking**, Special Issue on Wireless Network Security, Integrating a Trust Framework with a Distributed Certificate Validation Scheme for MANETs, 2006.
- **"Domain Expert User Development: The SmartGov Approach"** G. Lepouras, C. Vassilakis, C. Halatsis, P. Georgiadis. Communications of ACM, Volume 50, Issue 9, 2007.
- **"A Framework for Managing the Lifecycle of Transactional e-Government Services"** C. Vassilakis, G. Laskaridis, G. Lepouras, S. Rouvas, P. Georgiadis. Telematics and Informatics, Vol. 20/4, Elsevier Science Publications Ltd, 2003.

Other Activities:

- Contribution in national and european research projects (ESPRIT, PENED, IMP, COMETT, EPET II).15 R&D projects
- Smart-gov IST Project (Prime)
- CB-Business IST Project (Partner)
- "International Journal of Electronic Governance" (Editor in Chief).
